

There is a moment in every child's life when the door opens and lets the future in...

You could be that moment

Like you, we believe that every child has potential and the possibility of a bright, fulfilling future. And we know that children need the guidance, friendship and support of a positive adult role model to help them reach their goals.

At Big Brothers Big Sisters of Halton, we offer a variety of programs that provide support and friendship to children. There is a program that is sure to fit your schedule as a volunteer.

We need men and women volunteers now. A child in our community is waiting for you.

Some Pledge Tips:

Start by pledging yourself \$20 and your sponsors will follow your lead.

It's easy ... ten pledges of \$20 is \$200, multiply that by 4 curlers and abracadabra that means your team has raised \$800!

Remind your sponsors that they are supporting a great organization that helps at risk children and their families in the Halton Region.

Place an article in your company newsletter...you will get more sponsors and maybe even a new team!

Have a friendly competition between teams to see who raises the most money.

"Call Back"... if you miss someone the first time around, try again.

Feel great about your participation!

1. Bring your friends and family together and create a team of 4 people.
2. Let us know you will be participating by calling 905-339-2355 or fax back the registration sheet to 905-339-2354 or retrieve a registration sheet through our web site in PDF format at: www.bbbshalton.ca
3. Start gathering your pledges.
4. Each team is asked to collect a minimum of \$500.00 in pledges.

Start with your network of family, friends and co-workers. Don't forget to let them know that through their pledge, not only will they be showing their support for you, but they will be helping to provide programs and services that make a BIG difference to children in their community. And a tax receipt can be issued for any pledge that is \$20 or over.

Your employer may wish to make a contribution as a sponsor of the event and we would be pleased to work with you in order to facilitate this kind of partnership.
